Horses mean freedom, fun, excitement, speed, beauty, elegance, dignity.and did I mention freedom? Who can look at a herd of wild horses galloping across the plains and not think of the feel of the wind in their hair, the strength and power surging through them, the knowledge of freedom in their very cells?!? They are such magnificent animals, each and every one. This is a short book - you ll find 15 horse images here-well, 14 horses and one zebra-how could I resist?-both simple and complex.
