LES CINQ ANNEAUX: GO RIN NO SHO (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2011. Paperback. Condition: New. Language: French . Brand New Book ***** Print on Demand *****.Les cinq anneaux est le manuel le plus celebre du bushido, la Voie du Guerrier. Il decrit l accomplissement du samourai a travers la pratique du sabre long, le tashi. Mais la pratique du sabre long n est pas seulement une question de dexterite, mais plus un etat d esprit, une volonte tendue vers le but a atteindre: la victoire sur l adversaire, et a travers cela, la maitrise de soi-meme et la maitrise du monde. Pour cela, la dexterite est certes utile, mais la comprehension des forces de l adversaire, le changement de methode lorsque l adversaire est coriace, l adaptation au terrain et aux circonstances: tout cela font du guerrier un stratege. Cette strategie s applique au combat singulier. Mais c est la meme strategie qui fait du samourai un Officier capable de mener ses troupes et d arracher la victoire dans un combat entre armees. Les principes que l on trouve dans ce livre sont encore utilises de nos jours par de grandes firmes japonaises dans le cadre des affrontements economiques que celles-ci doivent livrer au quotidien. Musashi Miyamoto (1584-1645) est le samourai le plus celebre du Japon. Il vecut a l epoque de l unification du Japon qui donna naissance au shogunat des Tokugawa. Dans une epoque aussi troublee, le ronin, samourai sans attaches, allait a l aventure et vivait de son sabre. Musashi Miyamoto se distingue par un nombre impressionnant de victoires en combat singulier. Ses aventures ont ete racontees par Eiji Yoshikawa dans la pierre et le sabre . A la fin de sa vie, Musashi Miyamoto fonda une ecole pour enseigner l art du combat et mit ses enseignements par ecrit.
