

Supporting Change in Autism Services: Bridging the Gap Between Theory and Practice (Hardback)

By Jackie Ravet

Taylor Francis Ltd, United Kingdom, 2015. Hardback. Book Condition: New. 235 x 165 mm. Language: English . Brand New Book. Supporting Change in Autism Services explores the theoretical and practical dimensions of improving service provision for children, young people and adults with autism. The core aim of the book is to identify and critically examine some of the key factors that either facilitate or inhibit the implementation of good autism practice at both practitioner level and workplace level. It shows practitioners and students how to successfully translate autism theory into practice across service contexts and showcases a range of practitioner case studies throughout the text in order to illustrate effective implementation. Topics explored include: * controversies and ambiguities in autism policy, theory and discourse; * understanding autism in an inclusive context; * enabling participation; * making sense of behaviour; * autism and interprofessionalism; * strategic planning for autism friendly services; * bridging the implementation gap. This book is essential reading for anyone interested in improving services for people with autism in the education, social care, health and voluntary sectors.

Reviews

This publication might be well worth a read, and much better than other. It really is simplified but excitement inside the 50 % of the book. You will not feel monotony at whenever you want of the time (that's what catalogues are for concerning when you check with me).
