SOPHIA: THE HIDDEN CHRIST OF THOMAS MERTON

[DOWNLOAD](#)

Michael Glazier. Paperback. Condition: New. 352 pages. While numerous studies have celebrated Thomas Mertons witness as an interfaith pioneer, poet, and peacemaker, there have been few systematic treatments of his Christology as such, and no sustained exploration to date of his relationship to the Russian Sophia tradition. This book looks to Thomas Merton as a classic theologian of the Christian tradition from East to West, and offers an interpretation of his mature Christology, with special attention to his remarkable prose poem of 1962, Hagia Sophia. Bringing Mertons mystical-prophetic Vision fully into dialogue with contemporary Christology, Russian sophiology, and Zen, as well as figures such as John Henry Newman and Abraham Joshua Heschel, the author carefully but boldly builds the case that Sophia, the same theological eros that animated Mertons religious imagination in a period of tremendous fragmentation and violence, might infuse new vitality into our own. A study of uncommon depth and scope, inspired throughout by Mertons extraordinary catholicity. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
