Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Through the ages, men have told many stories about Mary, Joseph, and the birth of the Messiah. Stories of shepherds and sheep, kings, angels, and stables. But one story no one has ever told. One story hidden in the fabric of time. The story of The Swaddling Clothes. Mentioned not once, but several times in the Scriptural text, what is the significance of these special cloths? And how did they make their way into a stable in Bethlehem? From the author that brought you the Days of Messiah series comes a whole new adventure critics are calling intriguing, thought provoking. a fresh twist on an age old story. A surprisingly sweet treasure that deftly weaves fiction and Scripture. I get tired of Bible stories sometimes, but The Swaddling Clothes brings the story to life. Heartwarming, truly inspired. A story you will want to read again and again. Rich details and a suspenseful plot will keep you reading while giving you a glimpse of God's wonderful power and His amazing love.
