Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from A Lover s Ephemeris Duality My nature has been cast in such a mould That while I live I am the alternate prey Of two conflicting moods; no middle way Seems open to me till death leave me cold. I would be what I cannot be, would hold That which I cannot hold: then on a day I put aside all struggle, fret or fray, All quest of place or power or greed of gold. I have been dreaming. I have plucked sweet flowers Of idleness, enjoyed what I love best Of book or brook or smile at passing jest - And now the fateful change before me lowers! This night shall I know neither sleep nor rest, But turn and turn and lash the laggard hours. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
