CUT THE CHAOS is perhaps the only true guidebook you may ever find that has been written with the specific intention of preparing a home owner for what awaits them prior to beginning the home remodeling process. I want you to know this much right now -- remodeling your home may only happen once in a lifetime for the average homeowner. That being the case, wouldnt you want to prepare yourself with every advantage possible to ensure the successful completion of your project Well thats exactly what Ive done for you in CUT THE CHAOS. From preliminary design to construction documents, I share with you many of my experiences over 35 years of designing homes. From permit processing to final inspection, you will learn about my keys to success - thoughts and actions that are absolutely imperative for you to incorporate into your project. When you read this book before you start your remodeling project, it will be the best investment you make on a journey that is going to change your life. Tim has the drive and determination to succeed that Ive seen in all highly successful people. He is so outgoing and positive, and he maintains that effort by putting others first. His visionary approach to home remodeling sets him apart from all the rest. This book is a testament to that fact. - Greg Herlean, Author and CEO Horizon Trust. I witnessed Tim begin his personal transformation in the Spring of 2011 at my Internet Marketing course. At the time, I had no idea of his professional background. His passion for design has become evident to me, and that is surpassed only by the love in his heart for what he does. - Alex Mandossian,...
