Reviews

Here is the finest publication we have read right up until now. It is actually written in easy words instead of difficult to understand. It has been written in a remarkably easy way in fact it is only right after I finished reading this book in which basically changed me, modify the way I really believe.

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Colonnade, Vol. 4: January, 1942 We drank in every word the other said that afternoon, darling, as if time were passing too quickly for us, and as if we couldn't catch up with what we had missed in not knowing each other before. I had never talked so earnestly or so freely. My voice went on and on. For the first time, I opened the door to my real self, and slipped from the disguises of sophistication and brusqueness. I wrote my chemistry formulas for you on a paper napkin and told you how great a part of me my laboratory had become. Nancy, I murmured as I called your attention to the formula in pencil on the crinkled napkin, these letters and you symbolize my whole future. Dr. James thinks that in this formula, I can make a discovery that will be quite beneficial to American industries, but it means hours of research, experiment, nights without sleep, and days of constant study. At this you expressed concern. You knew that I must keep myself in good physical condition if I were to endure the strain of long hours spent in the lab. I promised you that I would keep fit, and that I wouldn't drink again. I worked hard after that. Each day I went as much as I could and stayed as long as-my eyes were open and my hands were steady. Sometimes, I would fall asleep over the test tubes. I couldn't have done it without you, Nancy; for you believed in me, and I didn't want to fail you.
