Createspace, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Legendary saga, of The Book of Poems. Once, there was no poetry, and the world languished in darkness. But one fateful day, in the thirteenth century, a peasant named Willin stood up and began to recite the first ever poem, in an attempt to save his favorite pig from evil tax-gatherers. Alas, one of these evil men stopped him before he could speak, but Willin was, nevertheless, the first poet. Join Willin, Futon, Sir Richard Langley, and a cast of other wacky poets in The Book of Poems , a collection of ten short stories that tell the legend of how poetry came to be, and how it has evolved throughout time. China, Turkey, and Great Britain, are but a few of the many countries visited in this tale, of a book that changed the world as we know it. A book, that changed history.
