An extremely awesome publication with lucid and perfect explanations. It is actually written in basic phrases rather than confusing. You will like how the writer publishes this book.

Brand New Book ***** Print on Demand *****.In a society in which the laws of the land seem to protect the criminals over their victims, someone must bring hope to the hopeless by any means necessary. Our youth, watching in the wings, are lured into this world with the promise of quick money, cars and power. Wanting the respect of women and their peers, our youth seem to have no fear of a quick and senseless death. It s hard to convince those young males to go work for \$5.50 an hour when they observe their buddies making \$500.00 for an 8-hour shift. Who will stand up to these villains who also seem to have the city government in their back pocket? Lenny B and So Good, the Blackavellian Knights, have taken up the cause. What s ironic about these anti-heroes is that Lenny B and So Good were previously gang members and drug dealers, so they understand both sides of the coin. So Good experimented with drugs,...
