Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.In the land of long ago and far away the journey through my life began and what a journey. There has been bad times, more than a few and there has been good times, real good times, without the bad we wouldn't appreciate the good, right? I married a wonderful man hardworking, good and honest but most of all he loved and honored me and the Daughter we had together, Samantha. We were fortunate we were able to travel together to many countries throughout the World, the adventurous spirit I possess was passed on to my Daughter fortunately for her many more aspects of her nature she inherited from her Daddy. After the premature and unexpected death of my beloved Husband, Samantha and I carried on traveling in a search for inner peace and a place we could call home. We chose America but not before having tested Africa, Bulgaria, Spain and a dozen other countries, the experiences we have shared in the far flung regions of this planet to some folks would seem somewhat unbelievable. I assure every reader of this particular story it's all the truth and nothing but the truth. This is the tale of the Dizzy Chicks Road Trip USA and is a small sample of one of our adventures in the States, we hope you enjoy the journey as much as we did. This is the first book in the series of Dizzy Chicks Worldwide adventures.
