Description After a year travelling around the World Suzannah comes back to England to start university. Things start to go wrong as she is tempted into experimenting with drugs. She drops out of university and during her first spell of mania and depression starts to believe in black magic. This is the start of a long and winding journey for Suzannah as she loses all her friends and former lifestyle and leads a dubious existence - self harming and trichotillomania plague and her psyche as she battles with an eating disorder. Suzannah is eventually sectioned and finds herself in a secure unit battling psychosis. She will not admit to herself she has a problem and refuses to take medication. Lonely and cast adrift she tries to forge a career for herself, but she can't escape the taboo of being labelled mental . Some time later she finds herself in...
