Back to the World A Romance by Rise Phillips Monica Rose is an amateur fashion-designer-turned-model. She is the daughter of world-famous romance novelist, Carol Armstrong Jones, and top cancer specialist, Jon Turner. Carol disapproves of Monica Rose s vocational choice and boyfriend, the emotionally oblivious but genius horror filmmaker, Manfred. Meanwhile, Carol and Jon s marriage is in shambles-both are aware of the other s extra curricular activities. Jon s latest lover leads Carol to drive away from a cancer research benefit despite her run-in with several gin tonics. The result? Death. Would it be glory or poison pens across the media world? Everything about the film, with commentary from all the critics large and small, would be known in an instant....
