PORTRAIT OF A CHAMPION (PAPERBACK)

Xulon Press, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Champions are born out of adversities. Our paths through life are laden with one thousand and one adversities. For a champion, every challenge or adversity is an opportunity to make a demand on his God-given abilities and shine. Such was the experience of Daniel. Adversities often seek to answer the questions: . How strong is your faith? . How deep are your resolves? . How firm are your convictions? . To what extent will you go to defend what you believe? More than answering these questions, you will discover in this book how to live a maximised Christian life and walk with God. TAIWO ODUKOYA presides over a ministry that is committed to raising leaders in every sphere of life. He is the founding and Senior Pastor of The Fountain of Life Church, Lagos, Nigeria - a church with a vision to build the home, and thus the nations and to equip the saints for life and ministry. He is also the President of Discovery for Men and Women, outreach ministries that inspire and motivate men and women to take up their God-ordained positions of leadership and influence in the home and in the society. He is aired on several radio stations across Nigeria and writes a weekly leadership column in a foremost national newspaper. A petroleum engineer by training, he has received many awards in recognition of his unique leadership abilities. He was married to Bimbo Odukoya, who was called to glory in December 2005, and is blessed with three wonderful children.
