But with changing times nothing is left untouched. Not even their lives. One day an old friend calls them and reminds them of all that they have been missing for the past few years. Taking her advice, The Evans Sisters move to the big city of London. They find new friends, fall in love, have their heart broken but what happens next is something they could not even have imagined. Was this their destiny? Their life takes a turn when their completely sane friend starts to see strange dreams that encircle them all. Will the girls be able to find the reason for these strange dreams? Will they be able to solve this mystery? In an atmosphere of complete uncertainty, the only thing that is confirmed is that the girls need to be brave and the path ahead is hazy.
