LUDWIG THE SECOND, KING OF BAVARIA (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Ludwig the Second, King of Bavaria Both the Crown Prince and his brother were unusually good-looking, and it was a brilliant sight when the popular and beautiful Queen walked about the streets of Munich, with her handsome boys beside her. Maternal joy and pride shone from her eyes, and the glance of the people was directed with genuine admiration on her and her children. Otto was the one who most resembled his mother. Being, moreover, lighthearted and accessible, he was also the one to whom the prize of beauty was awarded by popular Opinion. Ludwig s beauty was of a more uncommon and intellectual type, a note worthy feature of his face being the large, brilliant, and dark-blue eye. The boys were always dressed each in his particular colour, which the Queen herself had chosen. Otto in red, and Ludwig in blue - the national colours of Bavaria. Not only were Ludwig s clothes blue in tint, but also, as far as was possible, his various other small possessions and necessities; such, for instance, as the binding of his books, his draw ing portfolios, and his volumes of music This hue always continued to be his favourite colour. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
