Jaypee Brothers Medical Publishers (P) Ltd, 2005. Softcover. Condition: New. First edition. Medical Science has always looked up to minute details in what it has to offer to the students and professionals. Multiple Choice Questions are exactly aimed at achieving this goal. This book is unique in the sense, it is written with the Postgraduates of Prosthodontics in mind. However, it will also come handy for undergraduate students preparing for Common Entrance Examinations. The book consists of a vast collection of more than 2000 questions, prepared directly from over 50 popular textbooks and reference Books used in the field of Prosthodontics. For easy and quick reference by the reader, it has been grouped under four sections namely, Fixed Partial Denture Prosthodontics, Removable Partial Denture Prosthodontics, Complete Denture Prosthodontics, and General Topics in Prosthodontics. The section of General Topics includes questions on Full Mouth Rehabilitation, Precision Attachments, Implantology and Maxillofacial Prosthodontics. Also, some of the Miscellaneous questions have been added in this section. A list of references is included at the end, to further expand the Knowledge of the reader. Printed Pages: 376.
