*A brand new electronic book with a new standpoint. It is written in basic phrases rather than confusing. It has been designed in an extremely basic way which is merely right after I finished reading through this publication where basically altered me, change the way I believe.

And when she discovers that she *gasp* has a big nose she's initially devastated. But when her mother lets her know that she has the same nose as her Grandpa, Penelope perks up. And then she perks up even more when she finds out that Grandpa isn't dead like she expected--he's just gone. And she decides that it's her job to find him.
