

Infidelities (Paperback)

By Kirsty Gunn

FABER FABER, United Kingdom, 2016. Paperback. Condition: New. Main. Language: English . Brand New Book. This new collection of stories offers a candid peek at infidelity in all its guises. These are tales of lust, deceit, resentment and regret - and of the secrets and lies that can chip away at human relationships. In a series of interwoven dramas, we find mothers yearning for adventure, for the exhilaration of the open road or the anonymity of the forest; fathers absent in body or mind; husbands who look the other way; complacency turned to spite and apathy turned to betrayal. At the same time Gunn pursues the glorious rush of a snap decision, the liberty of answering that siren call of a better life elsewhere. Written with Gunn's trademark attention to nuances of behaviour, motive and even landscape, Infidelity is a temptingly beautiful work that asks What if? and dares to find out.

The publication is straightforward in study better to fully grasp. It is definitely simplistic but excitement inside the 50 percent of your publication. It is extremely difficult to leave it before concluding, once you begin to read the book.
