Despite the political situation, Myanmar (aka Burma) is a peaceful and welcoming country for all foreigners. The travel photographer, Joana Kruse, was fascinated by the helpfulness of the people and the mysterious rituals of the Buddhist monks. Thousands of gilded stupas across the country, century-old temples and still unspoiled traditions make Myanmar a pearl of South East Asia. Calvendo calendars are premium products - a bit more pricey than others but with added benefits: Our calendars always look beautiful on your wall because we produce them locally with premium paper and sophisticated spiral binding, ensuring easy turning of pages and flat hanging against the wall. A protective transparent plastic cover sheet provides added stability. Treat yourself to a Calvendo calendar and you get something that looks better all year round.
