LIVING THE CODE: SEVEN PRINCIPLES THAT COULD CHANGE YOUR LIFE (PAPERBACK)

Xlibris Corporation, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Many historians agree that America's greatness is a direct result of America being a frontier country for our first 300 years. To survive the harsh life of the frontier required people who were hard working and creative, with ingenuity and a desire to work with their neighbor. As far back as the time of Moses and the Ten Commandments, people have lived by principles that worked as guidelines for successful lives. And the same was true with the people who lived on the American frontier. Although they were 300 years in the making, these principles were solidified by the American cowboy in our last frontier. They became known as The Code of the West. To make this code relevant to our lives today, Dakota has used a large number of stories and examples from the past and the present that show us how to apply them to each of our daily lives; and as a result, live a fulfilling life.
