Reviews

Comprehensive information! Its this type of very good read. It is writter in basic words instead of hard to understand. You are going to like how the article writer compose this pdf.

(Mabel Corwin)

EYESHOT

Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. This edge-of-the-seat thriller from Shamus Award--winning author Lynn Hightower plunges Cincinnati homicide detective Sonora Blair into a case with a high-profile suspect--and a chilling link to an unsolved murder. There are times when Sonora Blair hates being a cop--for instance, the day distraught husband and father of two Butch Winchell walks into the Cincinnati PD to report his wife missing. A mutilated corpse has been found along Interstate 75 between Kentucky and Tennessee, and the body parts might belong to Julia Winchell. Eight years earlier, when Julia was a student at the University of Cincinnati, she witnessed a murder. When the body disappeared, no one believed her. But Julia never forgot it, and was compiling notes and articles that would point the finger at a shocking suspect. District Attorney Gabe Caplan is Cincinnati's golden boy--a champion of the underdog, a defender of law and order, and a man shadowed by a tragic past. Eight years ago, his pregnant wife was brutally murdered, leaving behind their two-year-old daughter. Now Gabe is on the verge of scoring a major victory in a high-profile case. Sonora's gut tells her the two murders are linked, but how can she prove it when she's up against a DA who knows how to work the system--and whose current pregnant wife could be in mortal danger?.
