Here s what you ll get with this FOUR book package: Travel the World and Facilitate Interesting conversations: A Step by step guide to teaching English overseasThe English language has become a medium for international communication in the fields of science, business and art. To meet this growth in use, many graduates have taken the step to move abroad in order to teach English as a foreign language. Teaching English overseas is an exciting career for someone who likes language and being around people from other cultures. It has the added attraction of an opportunity to live in a foreign country while earning a salary and can also be an entry into the teaching field. Furthermore, it is a field with many opportunities as English only increases its importance as an international language. English is the most widely spoken language in transportation, commerce, banking, tourism, technology, diplomacy, and scientific research. Not only do people from other countries need to know English to interact with native English speakers in these arenas, English is also the most frequently used language among speakers of different languages other than English. Many foreign governments have realized the importance of having citizens who are sufficiently proficient in English to participate on the world stage. As a result, they have increased the amount of English education that students receive so they can reach the level of competency required to communicate proficiently in English.
