Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.What makes a good doctor? How will you contribute to our university? Why medicine? What did you learn from your work experience? The ability to provide compelling answers in the medicine interview to questions like these is the difference between being offered a place and being rejected. The Medicine Interview book is an up-to-date (for 2013-2014 applicants) review of the most common questions, with full answers and pointers on what the interviewers are looking for. This book contains over 300 pages of questions, with points to get across and full examples on answering the questions. Example questions: What makes you a good doctor? To answer this question, you need to know what qualities are necessary for a doctor to have. Most medical schools have a list of qualities they expect doctors, and therefore medical students to have. This can usually be found on their school of medicine website or in the prospectus so it is worth having a look through that list. When answering personality-based questions such as this, rather than just listing qualities, pick two or three and provide evidence that you possess these skills. First and foremost I believe I would be a good doctor because I have a strong interest in both science and people. I have had an interest in science early on at school, and it was this interest that lead to me studying Chemistry and Biology at A level. During Human Biology lessons I found I always wanted to know the reason why things went wrong in the body during disease, and it was this questioning that really fired my interest in the human body. Since I have been old enough to have a job, I have...
