Renaissance Revit: Creating Classical Architecture with Modern Software (Color Edition) (Paperback)

By MR Paul F Aubin

Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Leverage the power of the Revit family editor to create complex forms drawn from classical architecture. This book brings together three of the author s favorite things: architecture, history and Revit in a hands-on manual like nothing else available! From the foreword: Paul Aubin has carved out a distinctive niche in the overlapping worlds of BIM, Revit Education. He offers support to self-directed learners who have caught the BIM bug and are seeking greater fluency deeper knowledge. To a large extent I think his success is rooted in his own eagerness to explore and learn; plus his ability to share that enthusiasm with others. In this book he has taken that approach to a new level, seizing on one of his long-term interests, embarking on a journey of discovery, and sharing the results with his audience.And there is no better way to deepen your insight than to build your own versions of the classical orders using a programme like Revit. I think Paul has hit upon an explosive combination. Let him draw you in and take you on two rides for the price...
