THE MASTER STOIC: ADVANCED PRINCIPLES AND THEORIES OF STOICISM THAT WILL TRANSFORM YOUR APPROACH TO LIFE (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The Master Stoic: Advanced Principles and Theories of Stoicism That Will Transform Your Approach to Life, is written for individuals who want to master the philosophy of Stoicism in their lives. However, before you proceed with this book, it is recommended that you read first the beginner's guide, Stoicism: A Beginner's Guide to the Stoic Way of Life. This will allow you an easier understanding of the basic tenets of Stoicism. In this second book, a more detailed explanation of the doctrines of each of the significant philosophers of Stoicism will be presented, together with practical examples of how you can apply these beliefs in your daily dealings. It is beneficial for you to learn about philosophy not because it is a sign of erudition but because you can utilize the tenets properly as your guiding principles in your daily life. What is the use of mastering all the beliefs of these philosophers, but you don't put them into practice? Knowledge becomes power - only - when you use it. So, thanks again for purchasing this book. Have fun reading and learning!.
