Even the anticipation of more fear keeps us from living our lives. For many, the dread never ends. As a young boy, Dr. Nic Williams witnessed a terrifying plane crash, up close and personal. The memories of the carnage and countless lives ruined left young Nic mentally and emotionally scarred for decades. He avoided airplanes and flying until the age of 24, when a once-in-a-lifetime opportunity forced him to face his fear head on. Nic could either let the fear continue to rule his life or take control over it. Now he shares that with you. **When Fear and Faith Collide** lays out the seven fundamental principles which allow you to identify and cope with your crippling fear. Find real freedom.
