Carpenters Son Publishing, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. GOD is crying in this book for mankind to come to Him for their protection and salvation. The End Times Prophetic message of God through dreams and visions about His judgments is an urgent call of repentance for the whole world. This book contains the warning and a revelation of global disasters which the whole world has already experienced, and will continue to experience with more severity in the future. No one will be able to survive without Him in these Last Days of human history. Many prophecies illustrated in this book came to pass already; which will bring an awareness of God s control and power on all things. What is necessary to save our world is a change of mindset. This book brings out the revelation as presented from the Heart of God to help this change of mind that the world desperately needs today. A heart filled message of the Father in Heaven embedded in this book is not only for unbelievers, but also for His sleeping Church to breathe in the Spirit of Revival in their midst. The urgent awareness of God s intervention is greatly emphasized not from author s viewpoint, but from the prospect of God s will for this generation. When we cannot deny the tough reality of an End - GOD has a survival plan.
