

Federal-State Cooperative Snow Surveys and Irrigation Water Forecasts for Arizona: February 1, 1954 (Classic Reprint) (Paperback)

By W E Anderson

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Federal-State Cooperative Snow Surveys and Irrigation Water Forecasts for Arizona: February 1, 1954 Recent storms on the upper watersheds have had little effect on the snow water content. Unseasonably clear, warm weather has caused some snow melt, resulting in a slight improvement in soil moisture conditions. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
