## GIS AND REMOTE SENSING BASED RURAL ROAD NETWORK ANALYSIS

Ephrem Tekele Woldehanna  
GIS and Remote Sensing  
Based Rural Road Network  
Analysis

Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | In Ethiopian where walking and non-motorized transport are the major forms of transport in rural areas and the development of the technologies to control and manage this rural network and accessibility is at its infancy level, in the other hand poorly integrated transport management systems and communication among the federal and regional transport offices makes information gaps for successful decision making. The power of GIS and Remote Sensing as decision support and...
