Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: German . Brand New Book ***** Print on Demand *****. Dedicated Spirit Beings in other realms have resolved to help humankind learn to communicate with their worlds using electronic devices previously unavailable to humankind. The Spirit Beings have chosen individuals on the Earth plane to team with them in this important work. The most successful pioneer on the earth plane is Hans Otto Konig, who has devoted 45 years of his life to technical re-search in his laboratory, continually developing new, more advanced devices to communicate with Spirit Beings. The findings from his research will be of great interest to the scientific world in general and basic researchers in particular, now and in the years to come. Konig detected the voices of Spirit Beings seeking to develop enhanced communication with humankind on the earth plane for the first time in 1974. Over the next 45 years, he passionately studied the acoustic phenomena producing the voices, extending the reach of the technical apparatuses with which he worked far beyond what was understood to be possible; he was able to improve the signal strength and communicate with the Spirit Beings. They were anxious to share knowledge, so they participated in improving the technical apparatuses Konig was developing. Today, he regularly makes contact with the Spirit Beings over the connections called contact bridges and is sharing what he has learned with other researchers and humankind. He has learned from his communications that the entities living in the other realms are at higher levels of being: the 5th through 7th levels. These Spirit Beings have been in contact with Konig throughout his research. They continue to transmit messages to us that they want humankind to hear: We are eternal beings. There is no death as...
