

Pediatrics (Paperback)

By Jane E. Puls, A.Eugene Osburn

Springer-Verlag New York Inc., United States, 1996. Paperback. Condition: New. 2nd ed. 1996. Language: English . Brand New Book ***** Print on Demand *****.One learns medicine, including pediatrics, by first learning a set of rules and then spending the rest of his/her productive career discovering exceptions to those rules. This book is intended to serve as a study guide for organizing the acquisition of an initial foundation of information about pediatric topics. Without an initial set of rules all new information is simply another new rule, and not an interpretive frame of reference for the deeper level of understanding that occurs with the recognition that one is dealing with a change in his previously held belief. As such, we have attempted to include what we think most would agree are commonly held operational facts of pediatrics, and have not tried to justify or substantiate the facts with references or lengthy background information as to why these facts are currently thought to be true. Our primary intent in writing this book is to provide an adequate core of pediatric information to enable one to pass the pediatric portion of the national boards. We hope it will also provide a...
