Brookes Publishing Co, United States, 2014. Paperback. Book Condition: New. Sabilities Full. 251 x 175 mm. Language: English . Brand New Book. Preschool inclusion is about much more than placing a child in a general education classroom. A network of creative, effective supports must be in place for the child, the teachers, and the program--and this comprehensive textbook shows how to make it happen. Future educators will get a thorough introduction to inclusion supports: evidence-based practices and strategies that help children with disabilities fully participate in preschool classrooms. With a strong emphasis on collaboration among all members of the education team, this text leads professionals step by step through every aspect of successful preschool inclusion, from designing an effective program to preparing all children for a smooth transition to kindergarten. An ideal textbook for preservice educators--and a valuable reference for early childhood programs--this important volume will help establish inclusive classrooms where every young child learns, belongs, and thrives.
