Frdric Bastiat was a keen observer and analyst of political and economic problems and a passionate proponent of liberal economic theory. *The Law, The State, and Other Political Writings* (1843-1850), collects nineteen of Bastiat's pamphlets, or articles, ranging from the theory of value and rent, public choice and collective action, government intervention and regulation, the balance of trade, education, and trade unions to price controls, capital and growth, and taxation. Many of these are topics still relevant and debated today. Bastiat's famous essay *The Law* showcases his talents as an activist for the free market. He explains that the law, far from being what it ought to be, namely the instrument that enabled the state to protect individuals rights and property, had become the means for what he termed spoliation, or plunder. From the article *The State*, in which Bastiat argues against socialism, comes perhaps his best-remembered quotation: The state is the great fiction by which everyone endeavors to live at the expense of everyone else. Throughout his articles, Bastiat demonstrates how the combination of careful logic, consistency of principle, and clarity of exposition is the instrument for solving most economic and social problems. Readers will find extensive introductory material, including notes on the translation and on the editions of the *OEuvres Compltes*, a chronology of Bastiat's life and works, two maps of France showing the cities associated with Bastiat, annotations to the articles, and a bibliography. A special section provides little-known anecdotes about Bastiat and his contemporaries, including his editor Prosper Paillottet, who became Bastiat's friend and eventually his executor. In addition, this edition also contains footnotes and glossary entries that help explain the political, economic, and intellectual context in which Bastiat lived and...
