

The Nazi Connection to Islamic Terrorism: Adolf Hitler and Haj Amin Al-Husseini

By Chuck Morse

WND BOOKS, United States, 2010. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book. This is the remarkable story of Haj Amin al-Husseini who was, in many ways, as big a Nazi villain as Hitler himself. To understand his influence on the Middle East is to understand the ongoing genocidal program against the Jews of Israel. Al-Husseini was a bridge figure in terms of transporting the Nazi genocide in Europe into the post-war Middle East. As the leader of Arab Palestine during the British Mandate period, al-Husseini introduced violence against moderate Arabs as well as against Jews. Al-Husseini met with Adolf Eichmann in Palestine in 1937 and subsequently went on the Nazi payroll as a Nazi agent. Al-Husseini played a pivotal behind-the-scenes role in instigating a pro-Nazi coup in Iraq in 1941 as he urged Nazis and pro-Nazi governments in Europe to transport Jews to death camps, trained pro-Nazi Bosnian brigades, and funneled Nazi loot into pro-war Arab countries.

Reviews

This publication will never be straightforward to get going on looking at but really fun to see. This can be for all those who stante that there had not been a worth looking at. You wont really feel monotony at at any moment of your own time (that's what catalogs are for about should you request me).

It in one of the most popular book. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.
