

Electric Literature: No. 4 (Paperback)

By Javier Marias, Joy Williams, Patrick DeWitt

Electric Literature, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Our fourth anthology celebrates the transportive joy of entering a vividly imagined world. Celebrated Spanish author Javier Marias spins a tale of a mild-mannered teacher turned ghost-hunter. Mexican writer Roberto Ransom (translated here into English for the first time) introduces us to a master fresco painter and the conservationist who tries to recapture his magic hundreds of years later, with mystifying results. Pulitzer Prize-nominee Joy Williams pens a fable about Baba laga and her pelican child, kept safe in a hut on chicken legs, until a mysterious historical figure asks to paint her portrait. Ben Stroud tells the harrowing story of a destitute cripple sent by his emperor to destroy a holy man and preserve the kingdom, and Patrick deWitt chronicles the deviant adventures of a man known only as the Bastard.
