

## German Machine Guns of World War I: Mg 08 and Mg 08/15

By Stephen Bull

Bloomsbury Publishing PLC, United Kingdom, 2016. Paperback. Book Condition: New. Johnny Shumate, Alan Gilliland (illustrator). 248 x 184 mm. Language: English . Brand New Book. World War I's defining weapon for many, Germany's MG 08 machine gun won a formidable reputation on battlefields from Tannenberg to the Somme. Although it was a lethally effective weapon when used from static positions, the MG 08 was far too heavy to perform a mobile role on the battlefield. As the British and French began to deploy lighter machine guns alongside their heavier weapons, the Germans fielded the Danish Madsen and British Lewis as stopgaps, but chose to adapt the MG 08 into a compromise weapon - the MG 08/15 - which would play a central role in the revolutionary developments in infantry tactics that characterized the last months of the conflict. In the 1940s, the two weapons were still in service with German forces fighting in a new world war. Drawing upon eyewitness battlefield reports, this absorbing study assesses the technical performance and combat record of these redoubtable and influential German machine guns, and their strengths and limitations in a variety of battlefield roles.

### Reviews

*The ebook is easy to go through easier to recognize. We have studied and I am certain that I will plan to read through once again in the future. I am quickly getting a pleasure of studying a composed publication.*

-- Prof. Adah Mertz Sr.

*It is an amazing publication which I actually have at any time go through. It really is written in easy words and phrases rather than hard to understand. It has been developed in an extremely easy way which is merely following I finished reading through this pdf in which actually changed me, affected the way I think.*

-- Garry Lind
