## THE SPECTACULAR FEW: PRISONER RADICALIZATION AND THE EVOLVING TERRORIST THREAT (PAPERBACK)

DOWNLOAD

New York University Press, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book. The Madrid train bombers, shoe-bomber Richard Reid, al-Qaeda in Iraq, and the 9/11 attacks-all were led by men radicalized behind bars. By their very nature, prisons are intended to induce transformative experiences among inmates, but today s prisons are hotbeds for personal transformation toward terrorist beliefs and actions due to the increasingly chaotic nature of prison life caused by mass incarceration. In *The Spectacular Few*, Mark Hamm demonstrates how prisoners use criminal cunning, collective resistance and nihilism to incite terrorism against Western targets. A former prison guard himself, Hamm knows the realities of day-to-day prison life and understands how prisoners socialize, especially the inner-workings and power of prison gangs-be they the Aryan Brotherhood or radical Islam. He shows that while Islam is mainly a positive influence in prison, certain forces within the prison Muslim movement are aligned with the efforts of al-Qaeda and its associates to inspire convicts in the United States and Europe to conduct terrorist attacks on their own. Drawing from a wide range of sources-including historical case studies of prisoner radicalization reaching from Gandhi and Hitler to Malcolm X, Bobby Sands and the detainees of Guantanamo; a database of cases linking prisoner radicalization with evolving terrorist threats ranging from police shootouts to suicide bombings; interviews with intelligence officers, prisoners affiliated with terrorist groups and those disciplined for conducting radicalizing campaigns in prison-*The Spectacular Few* imagines the texture of prisoners lives: their criminal thinking styles, the social networks that influenced them, and personal turning points that set them on the pathway to violent extremism. Hamm provides a broad understanding of how prisoners can be radicalized, arguing that in order to understand the contemporary landscape of terrorism, we must come to terms with...
