Tantor Media, Inc, United States, 2009. CD-Audio. Book Condition: New. Unabridged. 188 x 137 mm. Language: English . Brand New. Meet Cole: hapless space rogue, part-time smuggler, on a path to being full-time dead. His sidekick just stole his girlfriend. The galaxy s most hideous and feared bounty hunter wants to lay eggs in his brain. And the luxury space yacht Cole just hijacked turns out of be filled with interstellar do-gooders, one especially loathsome stowaway, and a cargo of freeze-dried orphans. Reluctantly compelled to deliver these defenseless, fluidless children to safety, Cole gathers a misfit crew for a desperate journey to the far reaches of the galaxy. Their destination: the mysterious world of Yrnameer, the very last of the your-name-heres-planets without corporate sponsors. But little does Cole know that this legendary utopia is home to a murderous band of outlaws bent on destroying the planet s tiny, peaceful community. Follow Cole s adventures through a delightfully absurd science-fiction universe, where the artificial intelligence is stupid, dust motes carry branding messages, and middle-management zombies have overrun a corporate training satellite. In the spirit of Douglas Adams and Terry Pratchett, The Sheriff of Yrnameer is sci-fi comedy at its best-mordant, raucously funny, and a thrilling must-listen.
