Fluid Frames: Experimental Animation with Sand, Clay, Paint, and Pixels (Paperback)

By Corrie Francis Parks

Taylor Francis Ltd, United Kingdom, 2016. Paperback. Condition: New. Language: English . Brand New Book. Once the realm of a few stalwart artists, animating with sand, clay, and wet paint is now accessible for all filmmakers with an experimental frame of mind. Created directly under the camera with frame-by-frame stopmotion, this fluid frame animation provides a completely unique visual world for animators. While pioneering animators such as Caroline Leaf, Alexander Petrov, and Ishu Patel paved the way, the availability of frame capture programs, compositing software and digital workflow is opening up new avenues of exploration for artists of all experience levels. This book will walk you through setting up your studio, choosing and working with your materials, and combining the physical under-the-camera production with digital compositing and effects to enhance your animation. * Firsthand advice from experimental animation veterans and rising stars in the field* Covers the digital aspects of experimental animation, including the latest techniques in After Effects CC* Tutorials and source files for under-the-camera approaches and After Effects enhancements on the book s companion website In addition to the practical advice, you ll find historical and contemporary...
