Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.As a doctor, Reggie is a delightful fellow. As an efficient assistant to Scotland Yard he is deadly. The thrills along one s spine when Reggie flicks into the beyond a quite superfluous criminal are the evidence that these are among the best of detective stories. Is she really? Sir Lawson laughed. Is she, though? How surprising! She is surprising, sir. What? What? Be careful, my boy. Handsome creature, isn t she? Yes, sir. Reggie declined to be amused. The Archduke Leopold is staying with them. Leopold. He s the dandy entomologist. He s tame enough. Well, he s the head of the house after this fellow. Better tell him. He blinked at Reggie. You have nurses you can trust? Well, we ll stay in the room till one comes, my boy. Our friend of the hatpin won t miss a chance. These Royal families they re a criss-cross of criminal tendencies. Hohenzollerns, Hapsburgs, Pragas, Wittelsbachs - look at the heredity. There was another running-down case here tonight. The man was killed - fractured skull. He was left on the road too. And another queer thing - he was much the same build as the Archduke Maurice.
