RISE OF THE ARCHANGELS * THE LOOP (PAPERBACK)

Lulu.com, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand ***** A Science Fiction thriller about humankind s past, present and future based on a rising group of people called The Archangels. With the gift of insight passed on to The Archangels by a future, peaceful generation, it is their hope that the present rise can correct and fix the false religious myths that have been destroying our present world. The Archangels must rise up to begin the fight against the time traveling terrorists from our future who have set out to use religion, false gods and myths as their fear based weapon in our distant past in order to control the future. Author s note: This can be an interactive book between you and the author or simply a fun, science fiction read. Note each page purposely has a quarter of space for notes for other Archangels to write their dreams, visions or experiences. You can then send your notes to so the next Rise book includes other Archangels voices.
