Nicole and her allies are in a race against time to keep their billion dollar global enterprise-and the hopes of millions-alive in this adventure. Her company ensures toys arrive at the homes of millions of children and families from their secret enclave above the Arctic Circle. It also serves as a haven for Little People, hoping to escape the everyday discrimination of mainstream society. The North Pole is thrown into jeopardy when an arctic accident thrusts two explorers into their midst. The town s residents are convinced Peter and his partner are spies. Ambitious DEA agents hope they can follow the money trail to close down what they suspect is one of the world s most sophisticated drug cartels. SR Staley s whipped up a fast-paced tale that will keep you on the edge of your recliner from its opening paragraphs to the climax at its end. If it was a movie, it would be a thriller with a happy ending and egg(nog) on all the right faces Lawrence W. Reed, president, Foundation for Economic Education.
