Reviews

A brand new electronic book with a new standpoint. It is written in basic phrases rather than confusing. It has been designed in an extremely basic way which is merely right after I finished reading through this publication where it basically altered me, change the way I believe.

UNTETHERED (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Sixteen-year-old Sylvie isn't comfortable in her own skin. In fact, there are times she can't even manage to stay inside it. Junior year is off to a less than stellar start for Sylvie: Her parents are splitting up, her little brother is sitting at her lunch table, and she's the target of the school bully. Plus, she accidentally astral projects, slipping out of her body again and again at all the worst times. Sylvie is cast as the class freak and a medical misfit. She wishes she were somewhere else. Someone else. But it's only when her best friend catches the attention of the boy Sylvie's loved in secret since the fifth grade that Sylvie makes up her mind to do something drastic. Sylvie intends to get Kevin by any means possible -- even if it involves treachery, deceit, and the dark side of the paranormal. After years of trying to ignore her ability to astral project, Sylvie finally decides to embrace it. But she also decides to embrace the shadows that accompany her on her out-of-body experiences. Opening herself up to the shadows and their evil, Sylvie comes up with a malicious plan. She is positive her scheme will give her what she wants, but she doesn't count on it all spiraling out of control. Untethered by Katie Hayoz explores the intoxicating and dangerous world of jealousy and obsession when coupled with paranormal ability. It is a touching, sometimes funny, sometimes heart-breaking novel that speaks to the self-doubt lurking in us all. *****Indie B.R.A.G. Medallion ***Runner up in the Mslexia Children's and YA Novel Competition.
