## A HUNDRED THOUSAND WORLDS (PAPERBACK)

Penguin Books, 2017. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Equal parts great American road-trip narrative and coming-of-age novel, this brilliant story from a debut novelist is a treat for the diehard nerds and fans among us. -Refinery29 Valerie Torrey took her son, Alex, and fled Los Angeles six years ago--leaving both her role on a cult sci-fi TV show and her costar husband after a tragedy blew their small family apart. Now Val must reunite nine-year-old Alex with his estranged father, so they set out on a road trip from New York, Val making appearances at comic book conventions along the way. As they travel west, encountering superheroes, monsters, time travelers, and robots, Val and Alex are drawn into the orbit of the comic-con regulars. For Alex, this world is a magical place where fiction becomes reality, but as they get closer to their destination, he begins to realize that the story his mother is telling him about their journey might have a very different ending than he imagined. A knowing and affectionate portrait of the pleasures and perils of fandom, A Hundred Thousand Worlds is also a tribute to the fierce and complicated love between a mother and son--and to the way the stories we create come to shape us.
