

Grandparenting with Heart: . . . and Love, and Care, and Wisdom

By Dr Juliet C Rothman Mswphd

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Grandparenting with Heart is a personal, interactive experience, which is meant to validate, assist, and encourage grandparents desires to have meaningful relationships with their grandchildren of any ages. It is grounded in the saying that is familiar to many of us There are only two things we can leave our (grand)children, One is Roots and the other is wings. Written in a casual, welcoming, and inclusive style, the book first explores roots and wings through interviews with grandparents of many ages, in many settings and many cultural backgrounds, individually and in focus groups, and shares with the reader some of their ideas about communication and relationship. Because each of grandparenting experience is unique and different, even within the same family, the second chapter explores some of these differences and the ways in which they may affect this special relationship. The next part of the book focuses on grandchildren, first, with some helpful insights to help readers to understand their world, and to recognize some of the major differences between today s childhood and teen experiences...
