

Dark Horse Maverick: Happy Endings (Paperback)

By Various

Dark Horse Comics,U.S., United States, 2002. Paperback. Condition: New. Various (illustrator). Language: English . Brand New Book. This year s Dark Horse Maverick anthology is an amazing collection of stories by the hottest up-and-coming talent along with the industry s giants. The artists mission was deceptively simple: in one way or another, each tale had to work with the theme of happy endings--literally or otherwise. Regardless of the approach, every creator involved poured heart and soul into the work, and the results are astounding: from Gilbert Austin s Depression-era hucksters Barley and Diggs, to Brian Michael Bendis s autobiographical convention tale Only In. to Mike Mignola s fractured fable of The Magician and the Snake, the stories are as varied as the creators themselves!.
