Sacred Life Publishers. Paperback. Condition: New. 94 pages. Dimensions: 8.8in. x 5.9in. x 0.3in. Having been a seeker of higher understanding of life, truth, and love since childhood, Petra Gerda Pauls many insights of spirituality have helped her in this human experience, have brought her the joy of finding true love, and have guided her through the tribulations of Alzheimers caregiving. Letters to My Immortal Beloved is an uplifting, beautiful love story of struggle and resurrection of spirit. Some only dream of having a love this close. Reading Petras Letters to Beto is like finding a diary and wanting to search for the owner, to meet and ask questions of such a strong, loving, and wise person. ENDORSEMENTS: Nothing can fully describe the pain and the loss suffered by a person who is taking care of a loved one who has succumbed to the awful ravages of Alzheimers. Yet there is a way to mitigate that pain, through a rich and deep understanding of the disease itself. One can acquire such an understanding from clinical reports and academic treaties on the subject--but no one can explain it quite like someone who has lived with the disease and watched it affect a dearly loved other. Petra Gerda Paul is such a person--and she found a remarkable way to heal herself from the trauma of taking care of her beloved husband through years of his struggle with this disease. Bravely looking at all of her experiences, she has created this account, which may give new understanding--and therefore an easier path--for other Alzheimers caregivers. , I am grateful to Petra for her contribution to a field where clarification and more experiential insights are badly needed. Neale Donald Walsch, author of Conversations with God; In Letters to My Immortal Beloved, Petra Paul has captured the...
