Partridge India, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Being inspired by situations people and life at large I have penned down experiences of myself as well as of others. Loved ones as well as of complete strangers. I believed that however life may be, happy, sad, long, short, etc. it can be perfect for poetry. Poetry can distress both the writers as well as reader. The writer vents his emotions and as the reader reads them, he too begins to sail in those emotions. Poetry inspired me more than any other aspect. Poetry I feel smoothens the mood and caresses the emotions.
