The national bestselling author of *The Mist-Torn Witches* returns to a world of princes and power, magic and mystery, where two women have the ability to reveal the future and uncover the past. When seers Celine and Amelie Fawe fled Shetana under threat of death, they vowed never to return. Yet, less than a year later, they are summoned back--to aid the man who once tried to kill them. The cruel prince Damek is on the verge of closing marriage negotiations with the powerful family of a young noblewoman when his intended s sister is murdered. To keep the engagement from falling through, Damek must expose the killer quickly--and he needs the seers powers to do so. Though the Fawes patron, Prince Anton, fears that bringing Celine and Amelie to Shetana places them in grave danger, he is honor-bound to help his brother Damek. Only none of them is prepared for the peril that awaits them at Castle Kimovesk--for someone in the court is determined to prevent the marriage from happening, no matter how deadly the cost.
